

## Accesibilidad evolCampus 22-05-2024

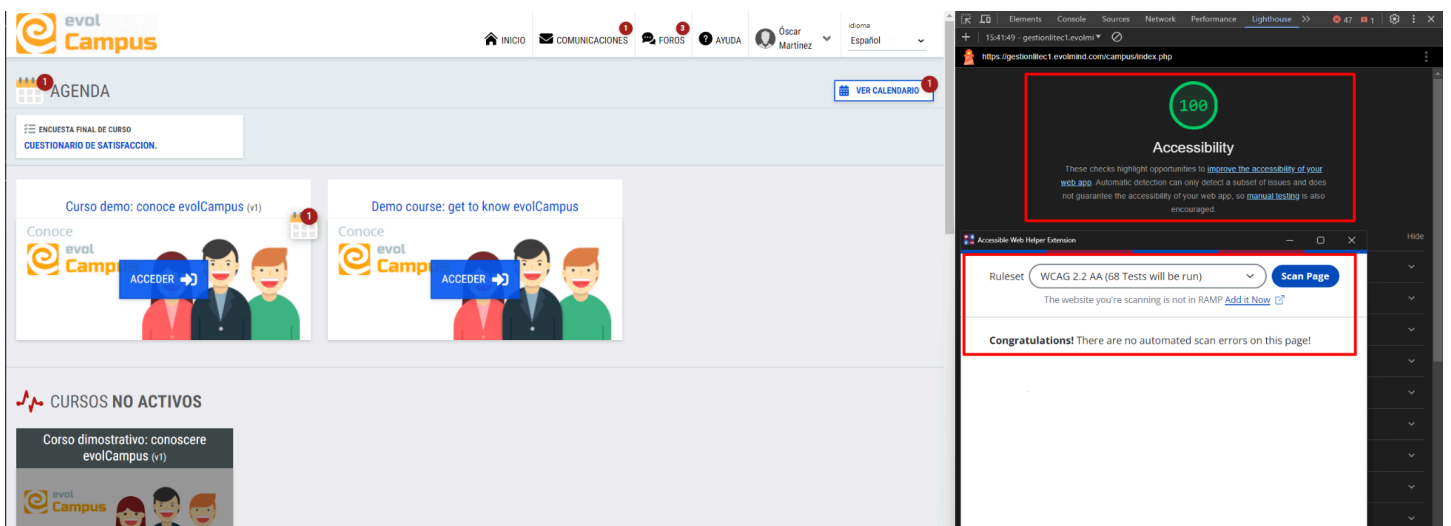

En las pruebas hemos usado dos herramientas, el navegador Google Chrome con su validador **Lighthouse**, el cual se puede configurar para validar accesibilidad y la extensión **Accessible Web Helper v1.19.4**.

La validación se ha realizado en todas las páginas en las que un alumno tiene interacción.

### Página de Login:

### Página Home de Cursos:

## Página Home de un Curso:

The screenshot shows the Home page of a course in the evolCampus system. At the top, there is a navigation bar with the evolCampus logo, a home icon, and notification icons for 'COMUNICACIONES' (1), 'FOROS' (1), and 'AYUDA'. The user's name 'Óscar Martínez' and the language 'Español' are also visible. Below the navigation bar, there is a section for 'ENCUESTAS PENDIENTES' with a button to 'RELLENAR CUESTIONARIO'. The main content area features a course progress indicator for 'Curso demo: conoce evolCampus (v1)' showing 'Completado' at 0%. A timer indicates the course will finish in 0 months, 8 days, and 8 hours. There is a 'Diploma' button and a 'Ver tus estadísticas' link. At the bottom, there is an 'Agenda' section with a calendar icon, a 'Comunicaciones sin leer' section with an envelope icon, and a 'Mensajes de foros de debate sin leer' section with a speech bubble icon.

The screenshot shows a Lighthouse accessibility audit for the Home page. The overall score is 100. The audit highlights opportunities to improve the accessibility of the web app. The Ruleset is set to 'WCAG 2.2 AA (68 Tests will be run)'. The message states: 'Congratulations! There are no automated scan errors on this page!'. The 'Scan Page' button is visible.

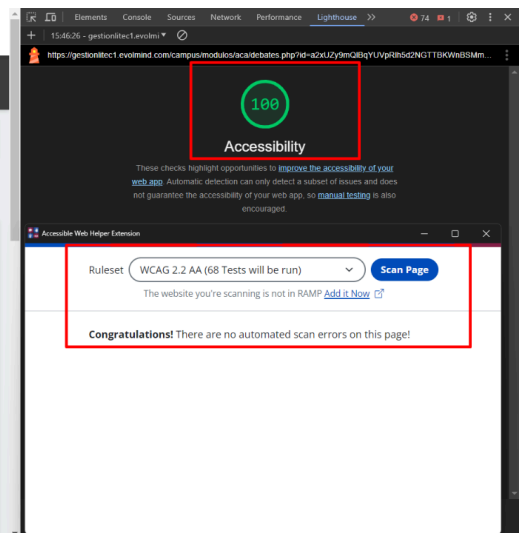

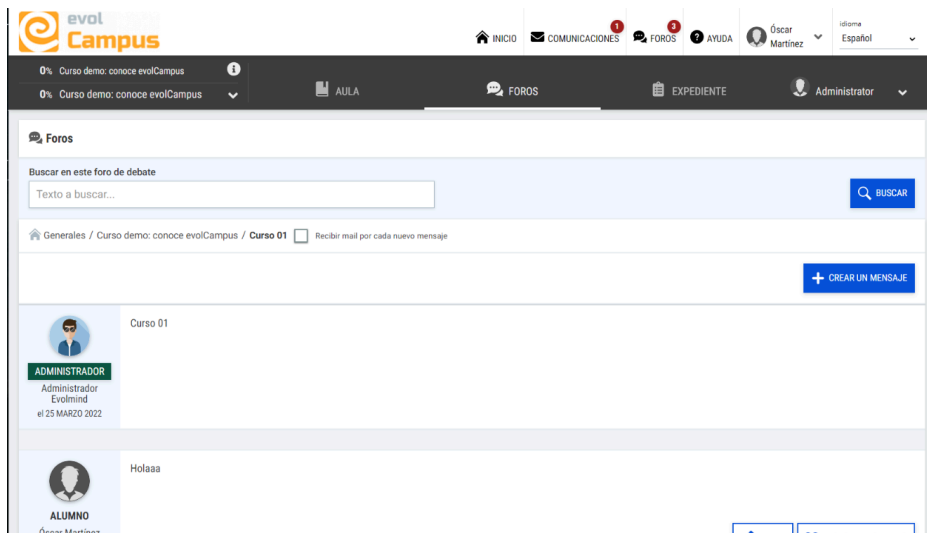

## Página Aula visión de Contenidos:

En esta parte hay que tener en cuenta los contenidos, estos también tienen que cumplir con los estándares de accesibilidad, con el fin de poder alcanzar la mayor puntuación posible.

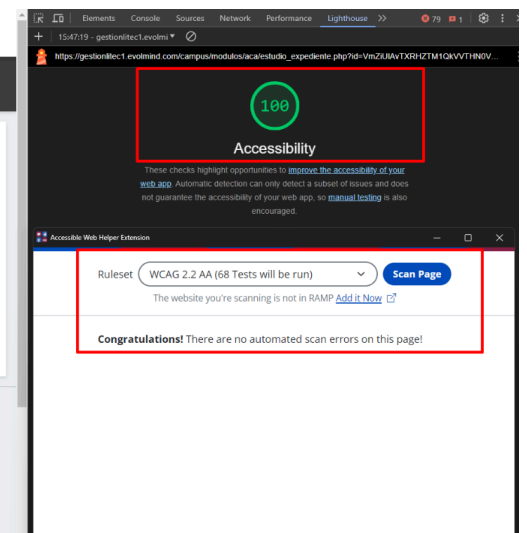

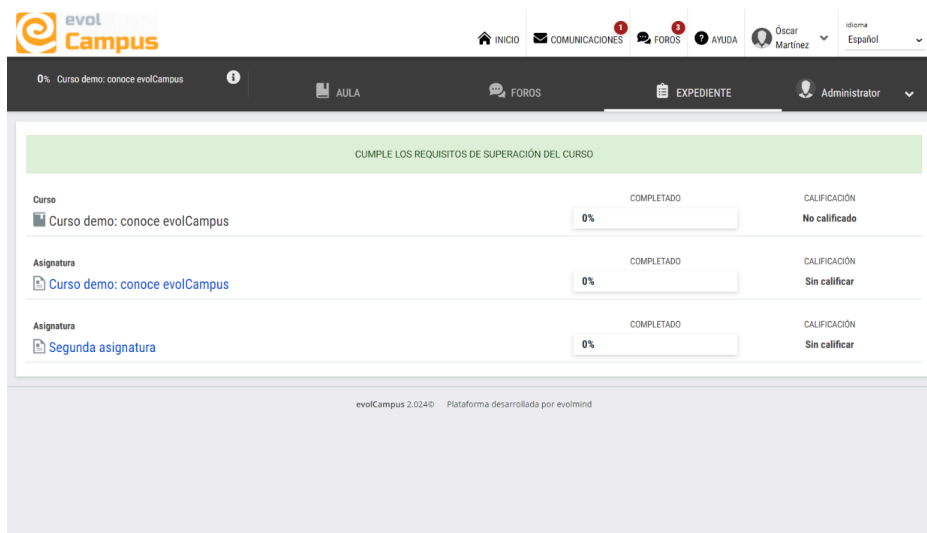

The screenshot shows the Aula (Classroom) page in the evolCampus system. The navigation bar is similar to the Home page. The main content area is titled 'Nuestra diferencia' and features a section for 'FACILIDAD DE USO'. The text describes the ease of use of evolCampus, mentioning that it allows for creating activities and tests from Word and Excel. There is a sidebar on the left with a list of content items: 'INTRODUCCIÓN', 'Nuestra diferencia', 'Creando contenido', 'Matricular a un alumno', 'Personalizar evolCampus', 'Herramientas de evolCampus', 'FAQS', '¿Dudas?', 'Encuesta', 'Externa', and 'Video'.

The screenshot shows a Lighthouse accessibility audit for the Aula page. The overall score is 97. The audit highlights opportunities to improve the accessibility of the web app. The Ruleset is set to 'WCAG 2.2 AA (68 Tests will be run)'. The message states: 'Congratulations! There are no automated scan errors on this page!'. The 'Scan Page' button is visible.

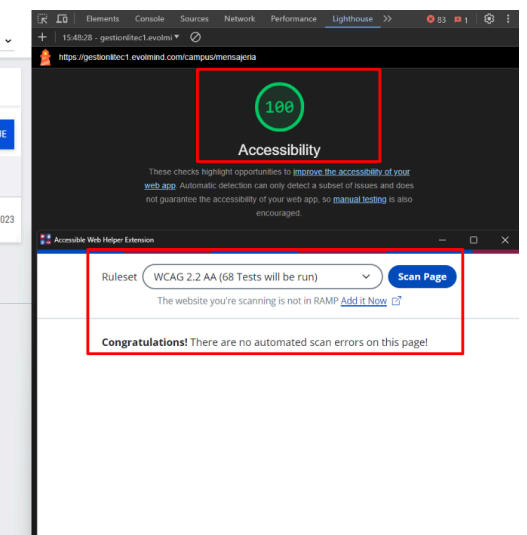

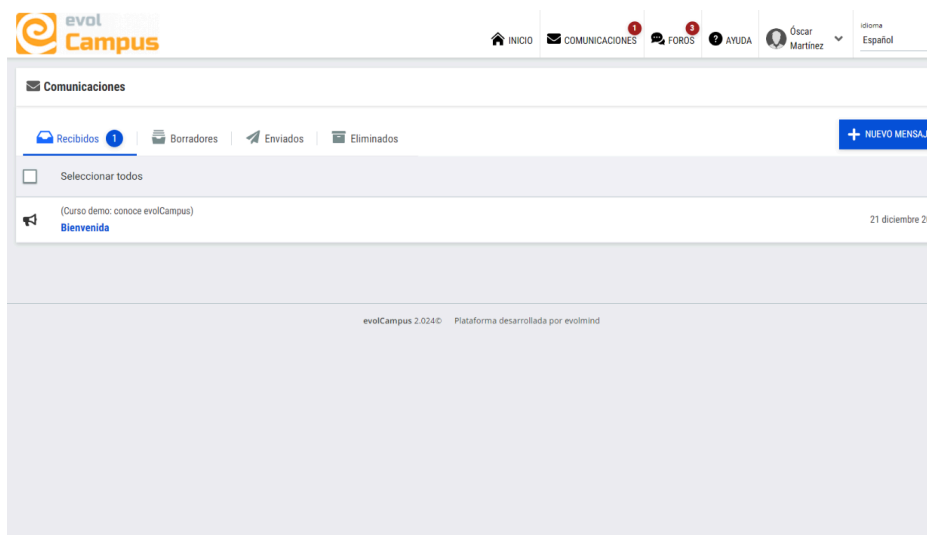

## Página de Foros:

## Página de Expediente:

## Página de Comunicaciones:

## Página del Perfil:

The image shows two side-by-side screenshots. The left screenshot is a user profile page on the 'evolCampus' website. The user is 'Óscar Martínez'. The profile section includes a name field with a checkbox to 'Ocultar mi nombre a compañeros', an email field, a birth date of '24 AGOSTO 2022', and a last connection date of '22 MAYO 2024'. Below this is a 'CURSOS ACTIVOS' section with two demo courses: 'Curso demo: conoce evolCampus' (finishing 30/05/2024) and 'Demo course: get to know evolCampus' (finishing 31/12/2024). The right screenshot shows a browser window with the Lighthouse accessibility audit results. A green circle with '100' is highlighted, indicating a perfect score. Below it, the 'Ruleset' is set to 'WCAG 2.2 AA (68 Tests will be run)' and a 'Scan Page' button is visible. A message at the bottom says 'Congratulations! There are no automated scan errors on this page!'.
